The USFWS makes no claim as to the accuracy or completeness of the displayed information. Shaded areas depicting USFWS fee lands and easement lands are for illustrative purposes only and do not represent legal boundaries. The quality of the data used to develop digital boundaries is variable; consequently, the digital representation of all boundary information is subject to change as higher quality data becomes available. All fee-title and easement areas are attributed to allow for replacement.

Additionally, wetlands displayed on this map are derived from USFWS National Wetland Inventory and may not represent actual size, location, shape or existence of wetlands. For more detailed information on the boundaries of fee-title land or easement areas, please contact your local Realty Office. All map products were developed by the Habitat and Population Evaluation Team, Bismarck, ND, USFWS Region 6.
